FOR IMMEDIATE RELEASE (Carlsbad, CA - 11-25-2014) –Donald Kress, MD’s Trust Me I'm A Plastic Surgeon was listed this week as a best seller in the category Plastic & Cosmetic.

In a special announcement, CEO of Motivational Press, Justin Sachs said, “We are especially proud of Donald Kress, MD on reaching the prestigious best-seller ranking on Amazon.com. It speaks to the quality of content and the impact Trust Me I'm A Plastic Surgeon is having on people throughout the world.”

Unless you enjoy the thrill of taking risks, no one should have plastic surgery without understanding the information in this book. The book is a comprehensive guide to having a satisfactory plastic surgery experience while minimizing the risk of injury or disappointment. It gives a very frank discussion of how to choose your doctor and evaluate his education, certification and competence. It reviews the facilities and how they can contribute to surgical problems. It examines the different types of patients, their decision processes and how deceptive doctors can manipulate those decisions. It discusses having the procedure and the behind-the-scenes actions that can cause you injury. It has a detailed and honest description of what the various procedures can really accomplish and their true risks. And finally, it offers advice on how to get help if you have already been injured by plastic surgery.

Dr. Kress is a board certified plastic surgeon with over 30 years of experience currently in private practice in Maryland. He is a clinical assistant professor at the Penn State, Milton S Hershey Medical Center and a member of numerous plastic surgery boards and societies including; The American Society of Plastic Surgery, The American Society for Aesthetic Plastic Surgery and the International Society of Aesthetic Plastic Surgery.
